## Dr. Charles Green Visits FHG Affiliate Colleges in Kenya and Nigeria September 4-15, 2018

Written by Dr. Kathy Bojanowski

Everything was in readiness at The Word of Truth Bible College for the much-anticipated visit from Dr. Charles Green, one of the directors from the FHG Executive Board and senior pastor of Christian Faith Fellowship Church East in Milwaukee, WI. He was accompanied by Pastor Anthony Franklin, from Calvary International Worship Center, Milwaukee, WI. It was in Kisumu, Kenya, that Dr. Tobias Wakhungu

(WOTBC Pres./Founder) and Dr. David Simiyu (WOTBC Board Member) met them for the two-hour drive to the small town of Webuye, Kenya, where the college is located. Having been to WOTBC several times, I could imagine the sights they would see and the joyous conversation they would have on that drive home.

The mission from the FHG Board was to hold on their behalf administrative meetings with Dr. Tobias and the WOTBC Board as well as a meeting with the students and upcoming graduates. It was at that meeting that Dr. Charles spoke words of great encouragement to them as he taught on laying a

solid, spiritual, and biblical foundation, and as he ministered powerfully to each one individually. The move of God continued on Sunday morning at Dr. Tobias' church—Dispensation of Grace—as Dr. Charles and Pastor Anthony preached and ministered to the gathered congregation with signs following the teaching of the Word.

During that short time, God visited His people with a fresh word that will continue to resound in their hearts by the Holy Spirit. From personal experience, I am quite certain that Dr. Charles and Pastor Anthony will never forget those days in Webuye; and they will surely remember the divine appointments and the faces of brothers and sisters in Christ whose lives they were privileged to touch in the name of the Lord.

Dear Dr Kathy,

After we sat with Dr. Green and Pastor Anthony and heard them minister, I realized that these two men did not just come to meet with the board...but rather you were led to send them here to minister to us. Pastor Anthony has a teaching gift. Dr. Green operates in teaching, prophetic and apostolic.

On Saturday we were blessed to see Dr. Green exhibit his prophetic gift. We were encouraged and reprimanded too! And on Sunday the church was literally filled by the glory of God as Pastor Anthony and Dr. Green ministered interchangeably! The Lord spoke to each of those present. Healing took place! Forgiveness was extended. Our destinies became so clear and easy to embrace. From this man of God, I realized that I was on course despite what the devil may do; and more ministers and students have been encouraged through the prophetic word.

Thank you, my sister!  
Dr. Tobias

Behold how good and how pleasant  
it is when brethren dwell together  
in unity! Psalm 133:1

Dr. Tobias,  
What a joy to be with you! We admire  
the great work of the Kingdom you are  
doing. Your church and great bible  
college are doing excellently in Kenya.  
I will never forget the laughter,  
hospitality and wisdom expressed  
through your beautiful, Godlike  
character.  
Dr. Charles

## The Mission Continued in Nigeria...

Through Dr. Charles and Pastor Anthony, God also encouraged and blessed our newest college —Better Life Bible College in Abuja, Nigeria—which is under the direction of its founder and president, Pastor Frank Ordu. Every opportunity was afforded them to meet with students and staff, to speak at a church revival meeting, and for Dr. Charles to officiate on behalf of FHGM&BC at their first graduation as our affiliate college. Students and staff alike had questions answered and were encouraged greatly to press on with new vigor in their biblical studies as a result of the teaching and apostolic ministry of Dr. Charles.

September 13, 2018 was Graduation Day at Better Life Bible College and the familiar strains of *Pomp and Circumstance* were heard that brought with it the entrance of staff and graduates. Right at the start, there was a very special ceremony to honor Pastor Frank Ordu for having received *in absentia* both his Bachelor of Divinity and Master of Divinity Degree from FHGBC in June 2018.

It was our desire that he be honored in person and in front of family, friends, colleagues and students at the BLBC Commencement Ceremonies. Thus it was that Dr. Charles officially presented him with his academic master's hood and an academic medal for receiving the Master of Divinity Degree with the high honor of *magna cum laude*. What a wonderful way that was to begin such a special time of celebration!

(Pictured left are Pastor Frank Ordu and his wife, Pastor Precious Ordu, who received a Bachelor of Divinity Degree and ordination.)

Graduation at BLBC followed with words of welcome, offerings of worship to the Lord for all He had done, speeches from graduates and staff members alike, and timely words from Dr. Charles and Pastor Frank. Diplomas were presented, and degrees were conferred, graduates were honored, and special guests were presented with awards of honor from Better Life Bible College.

Above all else, every FHGBC graduation has at its center the Lord Jesus Christ. He is the Living Word and the One who calls and

equips us by His Word and Spirit. He is also the One who helps and empowers us to do things over and above what we could ever imagine we could do—all for His glory and so that His perfect plans for our lives would be fulfilled and His Kingdom furthered. This focus was especially evident during the speeches given and during the scriptural charge and prayer for the graduates.

Our sincere congratulations are extended to each graduate for their accomplishments and dedication to Jesus! May He continue to guide their steps and fulfil His plans for their lives and ministries as they delight themselves in Him. He is ever faithful!

**B.Div. Graduates:** Sunny Akpanagha, Madaki Audu, Aloysius Igbadume, Emmanuel Onugu, Precious Ordu, Victor Udechukwu. **Diploma in Biblical Studies Graduates:** Ekeh Kingley, Festus Ojo, John Otubakwu, Lukas Yahaya.

*Portions of the letter to Dr. Kathy from Pastor Frank, returning thanks for all that God has done...*

I don't even know how to express the joy of all that happened. One thing I do know is that the ceremony was more than successful. God was glorified! There was a touch of excellence in all the activities. All the students are happy and very grateful. They were filled with joy in seeing the beauty of their certificates.

On the spiritual, God gave us a sunny day that very day and during the hours of the convocation, even though we are in the midst of a heavy rainy season! Rain fell in other parts of Abuja but did not fall within the territory of the convocation!

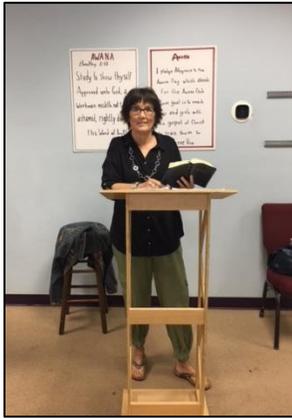

What more can I say than thank you! The seed you have planted will yield forth fruit into ages to come as long as Jesus tarries...

Pastor Frank and Dr. Charles arriving at the Graduation Convocation with expectant and joyous hearts!

**Our heartfelt thanks and prayers for abundant blessings from the Lord go to Dr. Charles Green and Pastor Anthony Franklin for their faithful ministry to our brothers and sisters at WOTBC and BLBC!**

## For His Glory Bible Fellowship, Shallotte, NC

Under the direction of Dr. Kathy Bojanowski, this weekly women's Bible study began a new series Sept. 11<sup>th</sup> which will continue until Dec. 11, 2018. The topic is the minor prophets Haggai, Zechariah and Malachi, who were called by God to minister to the Jewish remnant who returned from Babylonian Captivity. Their primary assignment from God was to rebuild the Temple in Jerusalem. Although they left Babylon with hearts ready to obey, after the altar and

foundation of the Temple were laid, opposition arose from enemies of Judah that eventually brought the work to a standstill. This caused the people to turn their focus to building their own homes

for about the next sixteen years. Enter the prophets Haggai and Zechariah, called by God to bring the people to repentance and to turn them back to the work of completing His Holy Temple.

The prophet Zechariah, a contemporary of

Haggai was used by God to also spur the remnant to rebuild the Temple. This was done by means of a call to turn back to the Lord and through prophetic visions of hope for the future. These eight visions were given to the prophet all in one night, but they continue to speak even today, for they deal with God's vindication and restoration of His people and the glorious future awaiting them under their Messiah and our soon coming King! God will fulfill His every promise! What He said, that will He do!
