**"Many, O LORD my God, are Thy wonderful works
which Thou hast done,
and Thy thoughts which are to usward...
If I declare or speak of them,
they are more than can be numbered."
Psalm 40:5**

As we look back upon the year 2020, let us remember with thanksgiving the wonderful works of God on our behalf! Amid the many challenges and shutdowns that we continue to face worldwide, God remains sovereign over all. He who holds the world together by the Word of His power never slumbers or sleeps and has been faithfully working things together for good to those that love Him and are called according to His purpose (Hebrews 1:3; Psalm 121:4; Romans 8:28).

Join us now as we reflect upon the good things of the LORD and what He has done through the ministries of For His Glory and through your prayers and support in 2020...

What a surprise it was to receive bottles filled with money and checks for our African College Fund from the women of FHG Bible Fellowship! So very thankful!

**RIVER OF BLESSING BIBLE COLLEGE
LUSAKA, ZAMBIA – chartered with FHGM&BC in 2005**

It was a joyous day on September 12, 2020 when Dr. Angel Chisefu, Founder & President of River of Blessing Bible College, officiated at the graduation of 21 students. The celebration took place in a church licensed to hold Christian meetings, and Covid-19 distancing was observed. That did not hinder guests, students, and staff from honoring each of the graduates and giving glory and thanks to God.

The graduates represented two levels and three fields of study at RBBC: Diploma in Biblical Studies, Bachelor of Divinity Degree, and Bachelor of Ministries Degree. Many are external students who study at their own pace from home, while others study several days a week at the college office in Lusaka, the capital city

of Zambia.
The graduates share a great love of Jesus, dedication to the diligent study of His Word, and the unity of the Holy Spirit.

May the good hand of the Lord rest upon these graduates as they press on in Christ! Amen!

**THE WORD OF TRUTH BIBLE COLLEGE
WEBUYE, KENYA – chartered with
FHGM&BC in 2009**

Tours of the new college dormitory were given in October for the most recent incoming students. They had registered shortly before Covid-19 closed the colleges in Kenya, so this was their first time to attend orientation prior to beginning their classes.

During the challenges of the Covid-19 restrictions, God continued to supply as can be seen in the joy Dr. Tobias had upon receiving some long-awaited sanitizing supplies for his church. He also found those months to give him opportunity to farm his own land in addition to the land at the college, resulting in crops to provide grain for cereal for them on a daily basis.

As a result of restrictions placed upon holding large gatherings, this year's held inside the college

graduation was building. As they celebrated the accomplishments of eight graduates, God received

the glory and the graduates were honored for their years of study, marking a milestone in being equipped for the work of the ministry and in their spiritual walk with the Lord. Overcoming current day obstacles, these graduates reaped the blessing of receiving their diplomas and degrees despite the circumstances in the world around them! May there be much multiplication and fruit that remains as a result of their faithfulness in biblical study. His Word will not return to Him void, but it will accomplish all that God sends it forth to do!

Dr. Tobias Wakhungu and his wife, Annah.

Congratulations to the graduates and to college president, Dr. Tobias Wakhungu, and his instructors for their diligence in study and in the teaching of God's Word. (Contact: +254-712128755 or tobiaswakhungu@yahoo.com for more college information.)

2020 GLIMPSES OF FOR HIS GLORY BIBLE FELLOWSHIP

Dr. Kathy Bojanowski, director

The year began with a wonderful video series by Christine Caine called **20/20**. For six weeks of home study, teaching, and table discussion, the women of FHGBF went through a spiritual eye exam that became a journey to help them discover that God not only sees us, but that He also chooses and sends us out to fulfill His purposes.

Instead of beginning the Spring study, a change of pace and location became necessary in order to be in accordance with the pandemic regulations set by our state governor. Dr. Kathy joined the ranks of so many others learning how to host ZOOM meetings, and we embarked upon an interesting journey of weekly biblical study that allowed us the blessing of maintaining fellowship through the study of God's Word. How wonderful it is to know that His Word is not chained or

limited to our normal ways of meeting, but it is alive and works in our hearts by the Holy Spirit who guides us into all Truth!

When the churches opened again, we were more than ready to meet in

person using social distancing and masks.

Discovering Jesus in the Old Testament was the study guide we used and found it to be a deep and challenging study that started with Jesus the Serpent Crusher and ended with Jesus the Kingdom Deliverer! We found much richness in each week of study and were blessed with the teaching of several women in our group in addition to Kathy. Deeper truths were deposited into our hearts

On October 27th, we had the joy of sitting under the anointed teaching of Dr. Charles Green once again. Dr. Green is a director on the FHG Board and is Senior Pastor and Founder of Christian Faith Fellowship Church East in Milwaukee as well as Way of Righteousness Ministries International. His teaching, prophetic, and apostolic gifts serve to minister God's life-giving Word in power, and

that day was no exception as he taught on Jesus, the Mighty God! Thank you, Dr. Charles and Dr. Evon, for strengthening us once again!

**BETTER LIFE BIBLE COLLEGE
BWARI - ABUJA, NIGERIA
Chartered with FHGM&BC 2017**

What an exciting and busy year this has been for Dr. Frank Ordu, Founder & President of BLBC! After months of planning and preparing the site, construction began on the college building in Kuchiko Bwari in Abuja. Chet Bojanowski, VP/Treasurer of For His Glory, Inc., oversaw the project on this side of the ocean while Dr. Frank was on the ground every working day at the building site to make sure all was done decently and in order. The goal was to complete construction in time for a December 2020 graduation on December 12th Lord's Kingdom BLBC commenced and praise to God!

complete the for a December 2020 dedication and ceremony. The goal was met, and the building was dedicated to the work and the third graduation of directly following filled with much joy

It was a week prior to this that Dr. Frank and some college leaders from the original BLBC site in Apo, Abuja, handed out invitations to the dedication along with information on the college. To close their day in Bwari, they had prayer and danced in joyous celebration about what they knew by faith that God had already done! We rejoice in the goodness of God toward the men and women at BLBC and in the Apo and Bwari neighborhoods. It was a few days after the graduation, that the first student from Bwari, Emmanuel Ayiki Peter, enrolled at Better Life Bible College—the first fruits of many, many students to come!

"Eye hath not seen, nor ear heard, neither have entered into the heart of man the things which God hath prepared for them that love Him"(1 Corinthians 2:9).
