For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God.” 1 Corinthians 1:18

A powerful song has been on my heart for the past few weeks called, *It's About the Cross*, sung by The Ball Brothers. Just having celebrated Easter with its reflection upon Jesus' death on the cross, burial in the tomb, and glorious resurrection from the dead, we can easily fix our eyes upon this same Jesus, who for the joy set before Him endured the cross, despising its shame (Heb. 12:2). He was born to die for the sins of man—*Not My will, but Thine be done*, He said to His Father. He was on a mission with His eyes set like flint toward Jerusalem and upon the cross...and beyond that to all who would come to the Father through faith in Jesus Christ and His atoning blood. Such love...such mercy!

May we forever lead others to the cross where Jesus died and tell them of so great a sacrifice and such amazing grace and love. May we boldly proclaim the power of His blood to deliver us from sin, sickness and chains of bondage! May we never be ashamed of the gospel, for it is the power of God unto salvation for all who believe (Romans 1:16).

The words of the song's chorus are still ringing in my ears...

It's about the cross...it's about my sin...it's about how Jesus came to be born once so that we can be born again. It's about the stone that was rolled away, so that you and I could have real life someday. It's about the cross!

Is this not the gospel – the good news that we are privileged and called to preach and teach in our own Jerusalem's, Samaria's and unto the uttermost parts of the world! How thankful we at For His Glory are for the blood of Jesus, the power of the Holy Spirit, and for open doors of effectual ministry that afford us opportunities to live out the Great Commission and the life-giving message of eternal hope in Christ! Thank you for partnering with us through your prayers, encouragement and financial support! --- *Dr. Kathy Bojanowski, Founder & Executive Director, FHGM&BC (drkathyfhg@gmail.com)*

OPEN DOORS OF EFFECTUAL MINISTRY IN ZAMBIA

Reported by Dr. Angel Chisefu, President River of Blessing Bible College

We had a wonderful time during Easter. A seminar was arranged at Rev. Matthew Phiri's local church where RBBC students were engaged to teach every evening for 3 days. God worked in people's lives. They were good meetings for our students and the people who attended.

On Sunday, Rev. Jenipher and I visited our newly opened local church 40km outside Lusaka in the villages where one of our students stays and leads the work. That was also powerful and very liberating. I taught them the importance of Lord's Supper and the Resurrection of our Lord and Saviour Jesus Christ. It was so joyous! What a mighty God we serve! The van you bought for us is doing good work especially our outings with students and Sunday ministries. Hallelujah!

Despite pressure of work I am seeing and experiencing God's faithfulness to my family, Bible College and ministry at large. Thank you for your prayers and every support you do render to us. For His Glory Bible Fellowship Women Unite for Missions

“Many hands make light work” is an old saying that became a reality to the women of FHG Bible Fellowship during the last few weeks of March in preparation for a mission’s trip to San Nicolas, Mexico! Five women from the Tuesday morning Bible study joined a 15-member team headed by Pastor Brad Ferguson from New Beginnings Community Church in Shallotte, NC on a construction and ministry trip to a mountain village near Puebla, Mexico in conjunction with the BAM Center (Business as Missions), directed by Tom and Sandy Basille.

Although five women from FHGBF answered to the call to go (Kathy Bojanowski, Janice Page, Barbara Donagher, Jennie Holland and Susan Xanthos pictured on next page), behind the scenes there was much activity by the women of the study to

prepare the team to serve the children with craft projects and the women with specially decorated journals and a sea

of the two afternoons of working on the craft preparation or the journals, and the women of Sunset Beach Community Church spent hours together making 275 salvation bracelets to enhance our gospel presentation to children. Add to that all of those who gave financially to ensure that the ministry and building projects would be accomplished and those who prayed for each one of us during our travel and weeks of ministry—and you can see that God indeed put together quite a team! We thank and salute those who “stayed with the stuff”, for they will surely share in the fruit of the ministry along with those who went!

shell craft to be done at a women’s breakfast on the theme “Beside the Still Waters”. Some walked our nearby beaches to collect shells, others joined in one

“As his part is that goeth down to the battle, so shall his part be that tarrieth by the stuff: they shall part alike.”

1 Samuel 30:24

What exactly did the team do? Causing things to run smoothly like a well-oiled machine, Chet Bojanowski (FHG, Inc. VP/Treasurer) handled the logistics of the travel, food, and lodging with Sandy’s help so that all the team had to do was show up at each appointed location! The men plus one superwoman named Lauren Johnson from Pennsylvania (daughter of FHGBF member Lou Russel) spent their days in the hot sun building a much-needed bathroom

building near the village soccer field. They worked hard and long in the shadow of PoPo the volcano that was spewing forth ash and smoke each day, but they accomplished their mission to the glory of God!

The ministry portion of the NBCC trip was coordinated by Kathy Bojanowski (FHG Exec. Director) through Sandy Basille at the BAM Center in Puebla, where the team stayed from March 29th until April 5th. Included in their ministry was a day cleaning the toy room and ministering to the children at an orphanage; helping with a dental clinic puppet show for 175 kindergartners; after school programs in the village headed by Janice Page; a breakfast for 70 women with testimonies by Jennie and Susan, special song by Barbara, a biblical message by Kathy. And how could we forget Susan Xanthos' gift of speaking Spanish! The words flowed out of her like a river as she ministered to women and children and as she translated for the team, along with other translators provided by BAM Center.

What a wonderful team of men and women God put together for this mission! Hearts were knit together by His Spirit and the common call to go, while daily devotions and much time together brought us into a place of serving the village and its people in one accord. The result was much fruit that remains in the form of salvations, seeds planted, bathroom facility constructed, and relationships built for future trips and ministry. All glory to God! Great things He has done!

So mightily grew the Word of God and prevailed! (Acts 19:20)

FHG Bible Fellowship is an interdenominational study meeting at New Beginnings Community Church in Shallotte, NC. They meet on Tuesday mornings for in-depth study of God's Word. Currently they are being taught about the biblical principles of Praise and Worship by FHGBF director, Dr. Kathy Bojanowski. In loving memory of
Joyce A. Colombo

June 10, 1938- December 25, 2016

What a joy it was to have Joyce among the first to take classes at FHGBC! Her kindness and her love for the Lord were always reflected in her smile and in her eagerness to know Him more through the study of His Word. Joyce joined the first class of graduates, earning a Diploma in Bible by completing 60 credits of biblical courses. In the years that followed, Joyce was a blessing to many as she served at FHGBC by sending cards to our incarcerated students.

We extend our sympathies to her husband, Gene, and to her sons Brian and David.

"Well done, thou good and faithful servant...Enter into the joy of thy Lord." Matthew 25:23

**Fresh Revelation of Jesus Produces
a Joyous Heart of Thanksgiving!**

I have just started my Bible study for this week and I am so blown away I had to stop and send a thank you to you. I don't know how many times I have studied the tabernacle but this is the first time I have seen it compared to Christ. What a revelation! I had never noticed this before. I had to stop and tell you how much joy you brought to my heart at this new revelation. What a perfect week to see a new insight into God's perfect planning. Thank you for all the time you take in preparing and presenting these lessons to us. Have a blessed Holy Week! *Sent by M.J.R. from FHG Bible Fellowship - April 2017 (Taking "Praise & Worship: Ministry to the King")*

Returning Thanks...

A Letter from Earl, an incarcerated
FHGBC Bachelor of Divinity
Degree Graduate

February 2017

Blessings, I just wanted to take the time to say thank you to the teachers and staff at FHGBC who all throughout these past several years, have helped to make it possible for me to obtain my first and only bachelor's degree. It indeed has been a privilege to have been able to be a student at For His Glory, and I am grateful for all the time and help that everyone has given me.

Though I know not yet what it is that the Lord shall have me do, we can know that He has not taught me His Word that it should not be taught to others or applied, but rather that I may apply what I have been taught that it may blossom and produce His good fruit.

For all of this, I must give thanks unto God and His "For His Glory Bible College".

God be with you all,
Earl, Bachelor of Divinity Degree,
February 2017

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.

2 Timothy 2:2

Congratulations, Earl, for your faithful years of diligent study. May the good hand of the Lord be upon you as He uses you for His glory!

Skype Helps Bridge Continents and Oceans!

By Dr. Kathy Bojanowski, Director Foreign Schools

On March 10, 2017, I was blessed to meet face to face with the students of Better Life Bible College in Abuja, Nigeria. This was done through Skype, and during our hour together, I had opportunity to speak directly to each student and to explain some FHGBC policies as well as give them encouragement from the Word and close our time together in prayer. What a joy it was to my heart to connect like that

across the miles! There are no boundaries to God's Word or His Spirit!

College founder and president, Pastor Frank Ordu, later said in an email, "Thank you Mum for taking the time to share with us the Word of God and prayers. The prayer you made for us was very powerful and the response and disposition of the students during the prayer tells it all. God is indeed faithful. May Almighty God keep increasing you more and more in Jesus' name!"

A Word of Encouragement from Kenya...

After a coming through a challenging time, Dr. Tobias Wakhungu of The Way of Truth Bible College in Webuye, Kenya, wrote the following words that should serve to encourage us all in adverse situations:

I have peace in my heart. You know that when I felt like complaining to God, I was reminded of the events in my life in 1984. By then I was a poor boy with no prospect for the future. I owned nothing. 33 years later, I am saved and blessed with a wife and children! And that is not all! The Lord has blessed me with a ministry in which I train ministers and plant churches! Finally, my comfort came from Habakkuk 3:17-19 in which we are encouraged to rejoice in the Lord regardless of the circumstances!

We at FHG rejoice in all that God has done and continues to do through Dr. Tobias and his wonderful teaching staff at WOTBC! Much fruit remains because of his faithfulness and shepherd's heart. May the Lord continue to bless and keep you by His hand, Dr. Tobias, and with a mighty anointing for breakthrough, in Jesus' name, amen!

"Although the fig tree shall not blossom, neither shall fruit be in the vines; the labour of the olive shall fail, and the fields shall yield no meat; the flock shall be cut off from the fold, and there shall be no herd in the stalls: Yet I will rejoice in the LORD, I will joy in the God of my salvation. The Lord God is my strength and He will make my feet like hinds' feet and He will make me to walk upon mine high places." Amen! Habakkuk 3:17-19

Testimonies from Better Life Bible College Student Applications – Abuja, Nigeria

"By God's grace, I am aspiring to run a ministry in the future as being mandated to me by God. My main aim for enrolling into the program is to broaden my knowledge of God and prepare for the assignment He has placed before me. God's call upon my life has been so strong that even as a banker, nothing gives me more joy than knowing that the Word of God is seen preached." *Emmanuel Onugu, Bachelor of Divinity Degree student*

"As an ordained minister in Holy Ghost Christian Centre, Pastor Ahoysius believes in spiritual growth as well as academic excellence. Hence, for him to be thoroughly furnished to propagate the gospel of Jesus Christ, he decided to enroll in Better Life Bible College. As Apostle Paul stated in 1 Cor. 8:2, 'If any man think that he knoweth anything, he knoweth nothing yet...' The standard of Better Life Bible College is accurate knowledge of the Word of God and sound ministerial procedures is a guarantee." *Aloysius Igbadume, Bachelor of Divinity Degree student*

"My goal is to be thoroughly equipped for better and efficient services in the Kingdom and to render to the followers in my ministry good direction. I also want to affect more services in evangelism, church planting and ministering to the people in rural areas, like medical and widows' outreaches. I know the Lord is behind this college and it is truly an answer to prayer, because I needed to improve myself in church administration. Thank God!" *Udechukwu Victor, Bachelor of Divinity Degree student*

A formal graduation ceremony will be held at a later date.

At present, Jacque is working towards a Master in Biblical Counseling Degree at the college. She serves as a lay counselor at Word of Life Counseling Center at her home church and is a Gatekeeper in the prayer ministry at For His Glory.

In Memory of our Brother in Christ

Siwell Kapoma

January 20, 1957 – February 14, 2017

Brother Siwell Kapoma was a diligent student at River of Blessing Bible College in Lusaka, Zambia, having earned a Diploma in Biblical Studies in 2014. At the time of his death in a road accident, he was enrolled in the Bachelor of Christian Education degree program at RBBC. Of him, Dr. Chisefu wrote:

"I will personally miss this man as he was a hard-working and faithful student. He really influenced his company where he was working as a Human Resource Manager with the Gospel. One of the workers in that company testified during the burial day that Brother Siwell had his last fellowship at the company and preached on *God's Righteousness* as what we need as we wait on the Second Coming of Christ. To many who were there, that was their last message from this man of God."

We rejoice in his faithfulness to the end to proclaim the glorious gospel of Jesus Christ even in the workplace! Although saddened by the loss felt by those who knew and loved him, we surely celebrate his homegoing, for he has seen his Lord and Savior face to face and is now in his eternal home.

In his own words, Brother Kapoma chose to "soldier on" in his biblical studies despite hardships and challenges he faced along the way. He saw the goal at the end and rejoiced in the journey. As the Apostle Paul said in Philippians 3:14, may we also press on toward the mark of the prize of the high calling of God in Christ Jesus! Soldier on, brothers and sisters--soldier on!

We extend our sympathies to his family, friends and fellow students.

Taking Jesus with you...

Yesterday after bible study a few of us went to Wendy's to grab a quick lunch. We were all just talking and enjoying each other's company and there was a young couple sitting next to us with children. The lady turned around and was noticeably looking at us. I said, "I'm so sorry...are we being loud?" Then her husband chimed in and said, "I told my wife to turn around and look at you ladies because I'm not sure what you are doing, but you all must be doing something right..." He then said again "I'm not sure what it is, but seriously, you are doing something right." (Keep in mind this was a young couple and we were just a group of older ladies.) Then one of the ladies said, "Well, we just spent time with Jesus at bible study--that must be what it is." They both said "ohhhh" and smiled, and I could tell that they were taking it in.

I really think the time we spent at the end of bible study was so filled with the Holy Spirit that that is what they were seeing. As you closed the bible study, you said, "What you're sensing is the glory of the Lord...take it with you today." And I think we did...
