Great celebration and unspeakable joy!

## Going into All the World with the Gospel of Jesus Christ

Being missions-minded is part of the heart of For His Glory Ministries & Bible College and its chartered schools of divinity. It is, therefore, no surprise that River of Blessing Bible College President, Dr. Angel Chisefu, was invited to officiate at the graduation ceremony of Greater Works Faith Mission School of Ministry. Under the direction of Pastor Bishop Mwamba Besa, the graduation was held on September 20, 2018.

Their months of study have prepared them for further biblical study, and 14 of the graduates will begin the diploma program on Feb. 25<sup>th</sup> at RBBC. According to Dr. Chisefu, "The Lord is bringing hearts that are eager to learn and know the Lord for service in His Kingdom. People are hungry for the Word of Truth." We thank God that His Word will penetrate deeply into their hearts for His glory!

# A MORNING AT FHG BIBLE FELLOWSHIP...

Not only do the women of FHGBF come to the weekly study with expectant hearts, but there is a team of committed women who have been preparing for their arrival. All is in readiness for welcoming hugs and smiles, sweet fellowship and for the presence of Jesus to be felt by all. An

instructor has studied and prepared the lesson, the audio-visual team is ready to amplify worship and teaching, and the prayer team has prayed through the room, over the tables and for the anointing of the Holy Spirit to fall in each heart as the Word of God goes forth.

As the clock strikes 9:30 a.m., it is time to begin! The preliminary announcements give way to worship and prayer that open hearts further to receive God's Living Word. Through in-depth teaching, discussion, instructive or inspirational video clips, the Word of God hits its mark so that change takes place as hearts are turned by His hand. It is a wonder how God, by His Spirit and Word, can transform

what could appear to be an ordinary meeting into a life-changing and strengthening time in His presence. Coming to Bible Study or attending Bible College or going to church is, in reality, *positioning yourself to hear from God!* In an instant, the Holy Spirit can zero in on exactly what you need to hear to strengthen and encourage you, convict you, or turn you around to go in a different direction.

This winter there are three teachers facilitating a video study by Beth Moore on The Patriarchs—we thank Janice Page, Kathy Zell, and Recca Davis. They teach, lead in discussion, and keep the focus God has ordained for the lesson. This particular study focuses on Abraham, Isaac, Jacob, and Joseph,

but the lessons being taught go way beyond the men and women being studied, for these chapters in Genesis are foundational to understanding the concepts of blessing, covenant, and promise. The women attending this important study have great opportunity to grow in their spiritual walk and understanding of God, His work, and His ways.

# WEDDING JOY IN WEBUYE, KENYA

We extend our congratulations and God's richest blessings to two special couples from The Word of Truth Bible College who were married in December 2018!

On December 9, 2018, Dr. Tobias S. Wakhungu and his wife, Belinda Sitanda, were married at his church. The

ceremony was officiated by Dr. Ephraim Weloba. Dr. Tobias is Founder, Director and President of WOTBC and is the Pastor and Bishop of Dispensation of Grace Churches. In his words, "Belinda is a God-fearing woman who loves prayer." May God bless their marriage with His loving presence, divine health, and daily grace.

It was a week earlier, on December 1, 2018, that Dr. Ephraim N. Weloba and his wife Risper Namikasa were married. Officiating at the service was Rev. Luke Wanyama. Dr. Ephraim is the Principal and an instructor at the college and serves as an associate pastor of one of the Dispensation of Grace churches. Of his bride, Dr. Ephraim said, "She bears the traits I desired and had set forth to God for the wife I would marry." May the good hand of the Lord rest upon them and their marriage!

# *Kabusa Crusade - January 30 & 31, 2019*

**Pastor Frank Ordu**

Founder & Director Better Life Bible College, Better Life Bible Church & Ministries

Having recently moved his church to Kabusa in Abuja, Nigeria--Pastor Frank Ordu held a two-night crusade hosted by his church, Better Life Bible Church.

As praises rose to Jesus, the Holy Spirit drew crowds of people to hear the preaching of God's Word by Pastor Frank. The theme of the crusade was JESUS POWER, and indeed He confirmed His Word in power as over thirty people gave their lives to Christ and many were healed of sickness and disease. Some were delivered through the power of Jesus. Others received ministry as the gifts of the Holy Spirit were in operation. To God be all the glory for the great things He did during the crusade!

According to Pastor Frank, some of the fruit of the crusade was evident on Sunday, Feb. 3<sup>rd</sup>, when many of those who surrendered their lives to Jesus came to church to testify to what God had done in their hearts and lives. He said, "Those that joined our church through the crusade are still attending and waxing strong."

It was particularly moving that an entire family (*top right*) came to Christ at the crusade and were among those present at the church to testify that morning! May there be an increase in the harvest in Jesus' name!

## Welcome Back, Dr. Sundrus!

We are so blessed to admit Dr. Sundrus Jordan into her second doctoral program at For His Glory Bible College! Dr. Jordan began her doctoral studies at FHGBC in 2004, and in 2012 she was presented her Doctor of Divinity Degree *with honors*. It was also at that graduation that Dr. Kathy Bojanowski had the privilege of representing Shalom Ministry in ordaining Dr. Sundrus as a minister of the Gospel of Jesus Christ. How we love Sundrus, so it was a joy to receive her letter requesting admission into the Doctor of Biblical Counseling program. Pictured left with Dr. Beth Laurent at her retirement party in December 2017, we can see the smile on Dr. Sundrus that we remember so well -- it still wins our hearts!

## In Honor and Memory of Pastor Eze Sylvester June 1974 – February 2019

*A Memorial Tribute by Pastor Frank Ordu*

Pastor Eze Sylvester was a pioneer member and an instructor of Better Life Bible College. He was the second person I shared the vision of BLBC with after my wife. We met in a church where he was invited as guest speaker. After listening to him, and because he spoke so well, I was led to share the vision of starting BLBC with him. From there we came together, planned and started BLBC in 2013 as a private bible school alongside Rev. Dr. Ifeanyi Japhet.

Since then we ran the college together. Due to his numerous contributions to the BLBC, he was made the registrar of the college, a position he held for just one trimester before his demise. Pastor Eze was a humble, social and helpful man. He was not greedy, but content with what the Lord gave him. He believed in holiness and righteousness which he demonstrated in his character. He was married in 2015 and they were blessed with a daughter.

Pastor Eze had been hospitalized in October 2018 and resumed lecturing until December. In January, the sickness came again, and on February 4, 2019, he breathed his last. May his soul rest in peace.

*For His Glory extends to Pastor Eze's wife and family our heartfelt sympathies in so great a loss as well as to Pastor Frank and all at BLBC who benefited so greatly from the faithful ministry of Pastor Eze. May the Holy Spirit bring comfort and peace to your hearts in Jesus' name.*
