A call of hope into a new day...

At the dawning of a new year, men and women can be found considering their ways, looking back with thankfulness at the goodness of the Lord for blessings and joyous events, and for seeing them through difficult seasons of life. One of the greatest things about turning the page to a new day or a new year is that hope arises in our hearts that things will be better, or that God will bless us once again with good health, loving family and friends, new jobs, or new beginnings. Along with such hope must rise within the heart of a Christian the promises in God's Word that declare that He will give us new mercies every morning, that the Dayspring will arise in our hearts and shed His glorious light on our path. One such promise came to my heart on this first day of January 2020— "Unto you that fear My name, the Sun of Righteousness shall arise with healing in His wings!"* This was spoken through the Prophet Malachi in reference to a coming day of judgment to encourage those who fear the Lord that there will be a place of surety in

Him. The Sun (or ministrant) of Righteousness refers to Jesus, the One who ministers right standing with God to all who come to Him in faith believing that He is the Son of God, the Savior of the World. He comes to bring us life eternal, to give us hope for the future, and to heal us from the inside out. Under the shadow of His wings is a place of safety and shelter from the storms of life, and He promises that those who fear His name will "go forth and grow up as calves of the stall."* Such joyous anticipation they have as they wait for the dawning of the day that they be released to run and leap and praise the Lord for new life, for growth, for nourishment, for safety in Him. May that be your portion as you enter in to this new year and new season of your life. May His love overshadow you, may His strength become yours, and may you hear His voice calling you forth into a new day!

Reaping the Rewards of Diligent Study in God's Word!

Word of Truth Bible College holds 6th Graduation

Rain did not dampen the spirits of those receiving their biblical diplomas and degrees on November 23, 2019 in Webuye, Kenya. Instead, there was rejoicing in the hearts of graduates, staff, friends & families when 13 men and women received the honors due them after faithful years of studying God's Word.

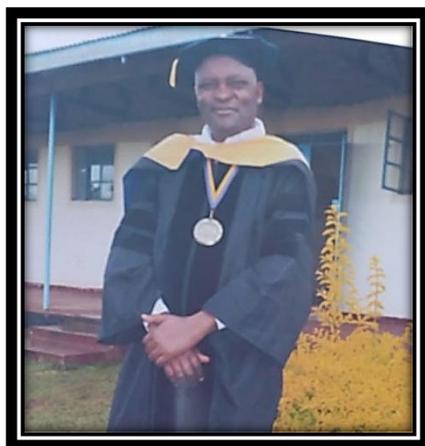

Four earned the Master of Theology degree; five, the Bachelor of Divinity degree; and 4, the Diploma in Biblical Studies.

Winter classes begin on January 11th and are held all day on Saturdays.

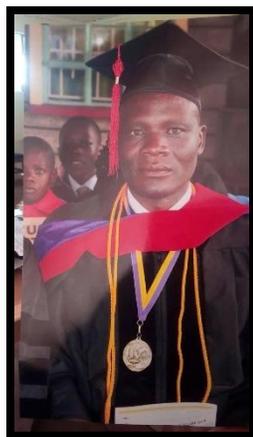

Enrollment is ongoing through the end of January at the following levels and fields:

Diploma in Biblical Studies, Bachelor of Divinity, Master of Biblical Counseling, Master of Theology, and Doctor of Theology.

Transfer students welcome and correspondence study is also available. Contact: tobiaswakhungu@yahoo.com.

"The graduation ceremony was amazing! We did not mind the torrential rains that kept pouring until the ceremony was over...A bishop took 15 application forms to take to his pastors. There are signs that we have found favor with God!" Dr. Tobias, Founder and President WOTBC, pictured left and below.

Congratulations to Xavier Telly-Wambwa, who earned his Master of Biblical Counseling degree with the high award of *magna cum laude* in 2018. Due to a very bad road accident, he was in ICU for 2 weeks and was not supposed to walk. But praise, God, he "came walking" to pick up his degree in November 2019!! God surely has special plans appointed for Brother Xavier! We rejoice!

River of Blessing Bible College
Testimony from Graduate
Nathan Zimba, B.Christian
Ministries, 2019 – *cum laude*

The course of study really taught me how to apply the Word of the Lord personally and also how to see the Word of God as my final authority in everything that I do, whether in the House of the Lord or in the Marketplace.

It has also challenged me to teach my family whatever new things I received from the course I was doing. I was challenged to be a better leader, and as a minister I can boast of being fully equipped for ministry, for the lessons I have learned are so rich and deep.

My personal spiritual life was built because all the modules were filled with scripture and practical ways on how to live effectively as a believer. They also helped me enhance the practice of prayer, for each module opened by encouraging students to pray and ask for God's help. This I loved so much!

I have used every opportunity to use the lessons learned from this college whenever I have an engagement to preach, speak or teach in any setting.

If you feel called by the Lord or are in a Christian leadership position, then I advise you to enroll with the college, for you will be equipped by the Word of God.
