Living Water Outpoured in South Africa and Panama!

Dr. Charles Green, a member of the For His Glory Board of Directors, and senior pastor of Christian Faith Fellowship Church EAST in Milwaukee, WI, was part of an outreach in Cape Town, South Africa in early April. While there, the Holy Spirit moved powerfully through him

and other team members to bring healing to bodies and salvation to thirsty souls. In addition, many were baptized in the Holy Spirit and there were great moves of God as ministry went forth to people on the streets and even in the public schools. Glory to God—great things He has done!

Another door of effectual ministry opened for Dr. Charles from April 21st to May 2nd—this time taking him to Panama through the ministry of *Cities for Christ*, founded by Evangelist Steve Koko. This ministry partners with local churches to help them win their communities for Christ. Over 1300 churches participated in that wonderful event that was life-changing for thousands of people, cities, and even the nation of Panama. In many different venues, including daily pastoral seminars, meetings at churches, in gyms, in parks, and nightly crusades, Dr. Charles taught and ministered

under the prophetic and apostolic anointing of the Spirit.

Invited to be a speaker at *Cities for Christ's* third phase of evangelistic outreach called *Panama for Christ*, Dr. Charles will be sharing the vision of that ministry thrust on May 26th at

Christian Faith Fellowship Church EAST in Milwaukee, Wisconsin (11 a.m. – 1:30 p.m.). Already 1500 churches have signed covenant agreements to be part of this ministry in Panama. If you are interested in learning more, contact Dr. Charles at 414-383-8533 or by email at cfceast@hotmail.com.

GIDEONS INTERNATIONAL BIBLE DISTRIBUTION IN LUSAKA, ZAMBIA

On February 27, 2018, a group of 300 men and women assembled by River of Blessing Bible College joyfully received Gideon New Testaments. Distributed by Greg Williams of Gideons International,

these Bibles will bring the life-changing Word of God and salvation to many hearts as they are used in evangelism outreach and for personal edification. During their meeting, which was held at Holy Mountain Church in Lusaka, Brother Greg gave a clear and powerful message on the Gideons' mission and told them about a

Gideon Bible app in their own dialects that they can use for free.

According to Dr. Angel Chisefu, President and Founder of River of Blessing Bible

College, the meeting was very fruitful. After personally meeting with Brother Williams, Dr. Chisefu commented, "He is a very good man who loves the Lord with passion to serve Him and His people." This was further evidenced when a few weeks later, Greg sent much needed study Bibles to

all the pastors and bishops that had assembled on Feb. 27th. This great blessing will result in entire congregations benefiting from the clear, biblical truth being taught by their pastors! Our heartfelt thanks to Brother Greg Williams, to Gideon Larry Heustess for making the contact, and to Gideons International for so great a gift!!

Most of the pastors and bishops who received Study Bibles are graduates or students of River of Blessing Bible College. (Dr. Angel Chisefu, College President, pictured right front.)

All Glory To God! Great Things He Has Done!

"We are so much encouraged at your teachings you send to this college which is spreading in many areas of our country. It's so marvelous. God is faithful to His Word and wants it to fulfill its intended purpose.

Know this...that your support and care to this work is awesome and is bearing abundant fruit in terms of spirituality. Many people around us ask, where have you been hiding? You carry what other schools of the Bible do not have. You are reproducing your own kind here in Zambia. Rejoice that a big reward is awaiting you in the hands of our Great God." GOING INTO ALL THE WORLD...

MISSION MEXICO!

From March 7-14, 2018, eight women from *For His Glory Bible Fellowship* joined the Mexico Missions Team from New Beginnings Community Church (Shallotte, NC) on its fourth outreach in the villages around San Nicholas, Mexico. FHGM&BC President/Founder Dr. Kathy Bojanowski and her husband and FHG Treasurer, Chet Bojanowski, were part of the planning as well as the going team for this mission.

New Beginnings has made a 5-year commitment to assist the BAM Center (Business as Missions located in Puebla, Mexico) with their vision to establish an ongoing work in the mountain village of San Nicholas. NBCC is sending one adult team and one youth team per year to serve in construction projects, water filter distribution, and work with the village women, youth, and children in order to proclaim and demonstrate the Gospel of Jesus Christ.

The women from *FHG Bible Fellowship* who served on the 2018 team were: Janice Page, Ann Irvine, Susan Xanthos, Jennie Holland (aka Bella the Clown), Chris Dooley, Patty Evans, Dianne Ferguson, and Kathy Bojanowski (pictured above left with Bella).

While the men worked on completing a water cistern, painting projects at the BAM Center, and building a porch onto a project they began last year, the women had the joy of ministering to

village women and to the children of San Nicholas as well as hosting and

presenting a women's dinner at the BAM Center. How thankful we are for yet another opportunity to co-labor with God in His work in the nations!

Updates of God's Work in Webuye, Kenya...

PROPHETIC CONFERENCE FOR PASTORS AND LEADERS – April 25-28, 2018

Ministers and leaders from various churches in the Webuye area gathered for a conference by Kay Nash Ministries, a prophetic minister of the Lord from Florida who helps others “hear and follow God, one day at a time” through biblical teaching and practical application. The conference in Webuye was hosted by Dr. Tobias Wakhungu, President of Dispensation of Grace Ministries and Word of Truth Bible College, also bishop over several local

churches. (pictured above: Dr. Tobias, far left; Kay Nash, middle in blue)

The topics of this 4-day conference were: 1) How to Hear God's Voice; 2) Heart Healing; 3) Discerning of Spirits; and 4) Prophetic Activation.

It was stressed that sin can block your spiritual ears from hearing the voice of God, and that it is vital that you deal with unforgiveness if you want your heart to be right with Him. The importance of the gift of discerning of spirits was also brought forth with the admonition that one can be easily deceived. Therefore, having your heart right with God and repenting of sin and unforgiveness is key in hearing His voice and not blocking the working of the gifts of the Holy Spirit in and through you.

***And ye shall seek Me and find Me when ye shall search for Me with all your heart.

DR. ROSE SIMIYU – FOLLOWING HARD AFTER JESUS

What a surprise it was to receive a phone call from Dr. Rose in early October! Dr. Simiyu is an instructor at Word of Truth Bible College in Webuye, Kenya. She also serves on the WOTBC Board of Directors, is a graduate of the college, and a bishop in her church—and she is highly esteemed in the Lord and greatly loved! (Dr. Rose is pictured to the right, third from the left.)

The reason for her call was that she was at a women's retreat in Talladega, Alabama, USA in early October sponsored by the Southern Region of Kenya Christian Fellowship in America (KCFA). Although I was sadly unable to see her at that time, we enjoyed sweet fellowship over the phone and remembered the times we shared in Webuye at a few graduations. Her sweet and generous spirit remain etched in my heart, and I was so glad to hear her voice and know that God had blessed her with such a wonderful trip.

At home in Kenya, she held a fall women's retreat at the college facility. The pictures reveal a very special time of fellowship with the Lord and with one another. Dr. Rose is obviously a vessel of honor fit for His use! Much fruit remains as a result of her faithfulness and her surrender to the Lordship of Christ.

The theme of the retreat she attended in the United States was taken from **Isaiah 41:10** and is a wonderful word of encouragement to us all as we continue our journeys with Christ:

***Fear thou not, for I am with thee: be not dismayed, for I am thy God. I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of My righteousness.
Amen and amen!!***

While in Ghana, God arranged for another divine appointment with our friend and brother in Christ, Pastor John Appiah (General Overseer of Faith Outreach Ministries) who graciously welcomed Pastor Frank to the city of Kumasi. The fellowship they shared blessed our hearts, for Pastor Appiah spoke at FHG Bible Fellowship two years ago and shared the wonderful workings of God in and through his ministry and his 24 churches. The women of the fellowship so look forward to having him once again on June 19th to speak on the topic of how God has worked by His Spirit and Word when he and his churches faced challenges for the sake of the Gospel. This ties in perfectly with the current FHGBF study on the Book of Acts. Safe travels, Pastor John, and may the good hand of the Lord be upon you!
